OFFICE OF PETITIONS

Dear Mr. Rowan,

As per our phone conversation, please delete claims, 1-8, 11-16 and 19-26. Leave claims 9, 10, 17, and 18, which I assume are the ones you approved.

I have included new drawings that meet specifications with that division. Please call me and let me know if all of them should be submitted, since some claims are being deleted.

I will be filing an application with the Office of Petitions for revival of this application. RC Tang, of that division told me to get approval from you and the drawings division, before I applied.

Please call me at 800-232-9909 and let me know if I can proceed.

Thanks for your help in finalizing this situation after I got the run around from the attorney.

Sincerely,

John E. Nemire
